Preliminary Damage Assessment (PDA) Teams- Public Assistance

At this time, the PDA teams have completed the assessments of Barry and Wexford counties. The field assessments are complete for Eaton and Mason counties, and the City of Saginaw; however, additional data is still being gathered by local officials. The PDA teams are currently in the process of assessing Lake, Manistee, Osceola, and Ottawa counties, and the City of Lansing. Once these areas are complete, the teams will start in Allegan and Missaukee counties. The assessments are still expected to be complete by close of business on Friday, June 27.

State Agencies Response

The Michigan Department of Corrections (MDOC) completed their mission in the City of Lansing today and continues to assist Manistee County with debris removal. The Michigan Department of Natural Resources (DNR) is also assisting Manistee County with debris removal. MDOC and DNR plan to reassess their missions in Manistee County on Friday, June 27 to determine if additional assistance is needed. The Michigan Department of Agriculture (MDA) continues to provide technical assistance to Allegan and Ottawa counties for storm related issues to county drains.
